AMENDED ADMINISTRATIVE CLAIM

Re: Cabal (Petitioner) v. U.S.A¹ (Respondent)
Petitioner's Social Security #: 584-25-4809

Dear Sir/Madam,

This is an "Amended Administrative Claim" submitted against the *U.S. Government* and/or several of its *employees* as a result of violations to my civil rights committed by said federal officials while acting within the scope of their employment. The violations to my rights have been reckless, brutal, and in total disregard for my statutory and constitutional rights. The infringement started during the year of 1982 and is continuing to the present day.

I am submitting to you this claim pursuant to the "United States Tort Claims Act", and particularly, in compliance with the statutes 28 U.S.C 2672 and 28 U.S.C 2675, which require that Federal Agencies and/or government officials be given a chance to dispose of any monetary claims against the agency (or its employees) before a law suit be filed against it (or against them).

I estimate that the damages caused by the unlawful actions of: the President(s) of the United States, the Attorney General(s), the F.B.I Director(s), several U.S. attorneys (including U.S. Justice Department employees in at least four states), and those Federal Judges at the district & appellate levels who conspired to deny me the Equal Protection of the Laws , Due Process of Law and other

¹ Including but not limited to the U.S. Department of Justice and the F.B.I.
