

4. CABAL v. U.S. DEPARTMENT OF JUSTICE, et al. Civil#:91-782C(5). District Court-Eastern District of Missouri. (co-Defendants included: The U.S. Department of Justice, The F.B.I, Calgon Vestal, Inc., Envirodyne Engineers, Inc., and Private Label Cosmetics, Inc.).

Unlawfully dismissed by judges Stephen Limbaugh/William Bahn, in spite of overwhelming direct and circumstantial evidence in support of my claims. An Executive Order signed by President George Bush, and enforced by U.S. Attorney General Mr. **William Barr**, which was submitted to these judges, was main reason for the suit's dismissal. Damages estimated at: \$4,000,000 dollars.

5. CABAL v. INTERNATIONAL TECHNOLOGY, Inc. ("IT, Inc.") Civil#: 93-CV-1790. District Court-Eastern District of Missouri.

Unlawfully dismissed by judges Carol Jackson/Frederick Buckles, in spite of overwhelming direct and circumstantial evidence in support of my claims. An Executive Order signed by President Bill Clinton, and enforced by U.S. Attorney General Ms. Janet Reno, which was presented to these judges, is main reason for the dismissal. Damages estimated at \$2,000,000 dollars.

6. CABAL v. INTERNATIONAL TECHNOLOGY, Inc. (I T, Inc.). Civil #:664537(6). Filed in the State Court for the 21st. Judicial Circuit (State of Missouri).

Unlawfully dismissed by judge Robert Lee Campbell, in spite of overwhelming direct and circumstantial evidence in support of my allegations. Although this law suit was filed in Missouri's State Court, it is my understanding that an Executive Order issued by President Bill Clinton and enforced by U.S. Attorney General Janet Reno, which was submitted to this judge, was directly responsible for the dismissal of this action. Damages estimated at: \$ 2,000,000 dollars.

7. CABAL v. TETRAPLASTICS, Inc., and I T CORPORATION. Civil #:4:96-cv-631(CDP). Filed in the U.S District Court-Eastern District of Missouri

Unlawfully dismissed by U.S.district judge Catherine Perry, in spite of overwhelming direct evidence (such as *deposition-testimony* of witnesses employed by defendants) supporting each and every claim made by Mr. Cabal within his Amended Complaint. Judge Perry further violated Mr. Cabal's rights by imposing fines against him and in favor of the defendants of approximately \$30,000 in what was an outrageous case of intimidation, and abuse of power. After all, there were no legal grounds whatsoever to support her actions. It is my understanding that an Executive Order issued by President Bill Clinton and enforced by U.S. Attorney General Janet Reno which was submitted to this judge, was directly responsible for the dismissal of this action. Damages estimated at: \$ 3,000,000 dollars

As previously stated I am seeking redress for my injuries from the United States Government and/or
